Headteacher: Mr David Huntingford

4th October 2021

Dear Parents/Carers,

This year's Harvest Celebration is once again with us and along with exploring the meaning of this important time in class there will also be an assembly with Mr Edwards. Sadly, we will not be able to invite parents to join us in school, as we usually do, to celebrate this very special occasion.

We are hoping to collect our harvest gifts for Riverside Church that serves the local community through its foodbank. If you are able to donate there is a list of items which would be gratefully received and very much appreciated. We would appreciate that if you can give something that it could be with us before the week beginning the 18th October so that we can arrange delivery to London Riverside Church.

In previous years you have always been extremely generous and we would like to thank you all for your continued support in these difficult times.

Yours sincerely

Mr Lee Buckingham
Deputy Headteacher
