Dear Sir/Madam

Kind donation

*Could you please pass on the following message to **Michael Flora**?*

I am writing to thank you personally, and on behalf of King George and Queen's Hospitals Charity, for your very kind donation of £272.35 in support of entertainment for patients in Tropical Lagoon Ward.

Thanks also for your lovely letter that I really enjoyed reading. I'm so glad to hear that you received such great care on Tropical Lagoon and that your migraine problem is much better. That must have been very hard for you and then to think of others who will need care in the future is so kind.

The donation couldn't have come at a better time as we are raising funds to buy a RockinR gaming cart for the ward. This will mean children on Tropical Lagoon will be able to play computer games much easier which is great! Your donation will make a very valuable contribution to buying this.

I have enclosed a certificate of appreciation for you which I hope you will proudly display!

With kind regards

Marina ☺
