Thursday 14th November 2024

Dear Parents / Carers,

We hope this letter finds you well. We are writing to inform you about an exciting event that Year 4 will be participating in, which is a themed 'India Day'. This special day is scheduled for the 29th November 2024 and will be closely linked to our current geography topic, 'Investigating India', as well as our Religious Education topic on Hinduism.

On India Day, we invite all children to come to school dressed in traditional Indian clothing. This will not only enhance their engagement with the subject matter but also allow them to immerse themselves in the vibrant culture of India. We believe that such interactive experiences are essential in fostering a deeper understanding of the topics we are studying.

Throughout the day, students will participate in a variety of activities designed to enhance their learning about India and Hinduism. One of the highlights of the day will be the opportunity for the children to cook and taste traditional vegetarian Indian cuisine. As we aim to ensure the safety and enjoyment of all our students, please inform the school office of any allergies or dietary restrictions that we may not be aware of.

We appreciate your support in making this a memorable educational experience for our children. Should you have any questions or concerns regarding India Day, please do not hesitate to get in touch.

Thank you for your continued co-operation.

Yours sincerely,

Year Four Team.
