3rd June 2025

Dear Parents and Carers,

Year 4 Roman Day

We are excited to announce that Year 4 at William Ford Junior School will be celebrating Roman Day on **Tuesday 17th June 2025**. This fun and educational day will immerse the children in the fascinating world of Roman Britain, enhancing their understanding of life during that era. During the morning session, the children will engage in creative activities designed to bring Roman history to life. They will have the opportunity to play games that were popular during the Roman era, giving them a hands-on experience of the past.

In the afternoon, there will be a Roman feast where the children can sample foods that were commonly eaten in Ancient Rome. This sensory activity will allow them to explore the tastes and flavours of a different time, adding a delicious dimension to their learning.

To make the day even more special, we encourage the children to dress up as Romans. This can be easily achieved by recycling costumes from Ancient Greece or Egypt, as the clothing styles of these civilisations are closely related. Alternatively, costumes can be made from simple materials to create tunics or drapes. Creative and imaginative costumes will enhance the immersive experience for the children.

We kindly request that you support your child in participating in Roman Day by ensuring they come dressed appropriately and ready to engage in the activities planned. Encouraging their interest in history and providing them with the opportunity to experience learning in a hands-on way will greatly benefit their educational development.

If you have any concerns or questions regarding Roman Day, please do not hesitate to contact the school office. We look forward to celebrating Roman Day with the Year 4 children and creating lasting memories of this enriching educational experience.

Yours sincerely,

The Year 4 Team
