Thursday 12 June 2025

Dear parents and carers,

Greek Day  
Friday 27<sup>th</sup> June 2025

I am writing to inform you about an exciting event that will be taking place at William Ford Junior School on Friday 27th June 2025 for Year 3 students. The children will be participating in Ancient Greek Day, immersing themselves in the rich history and culture of Ancient Greece.

Throughout the morning, the children will engage in a range of creative activities designed to enhance their understanding of Ancient Greece. These activities will be both educational and enjoyable, providing a hands-on learning experience for the students.

As part of the day's events, the children will have the opportunity to taste foods that were commonly consumed by the Ancient Greeks. This sensory experience will not only offer a glimpse into the culinary preferences of that time but will also create a memorable connection to the past for our young learners.

In the afternoon, we are thrilled to welcome a visiting drama group to the school. The children will have the opportunity to participate in a performance that brings to life key aspects of Ancient Greek society. This promises to be a memorable and engaging experience for all involved.

As part of Ancient Greek Day, children are encouraged to dress as Ancient Greeks. To support this, we recommend that costumes be created by recycling Ancient Egyptian costumes or using simple materials to create tunics, drapes, or laurel wreaths. This provides an excellent opportunity for creativity and resourcefulness, allowing the children to fully immerse themselves in the theme of the day.

We believe that Ancient Greek Day will be a valuable and enjoyable experience for our Year 3 students, enriching their learning and fostering a love for history and culture. If you have any questions or concerns regarding this event, please do not hesitate to contact the school office.

Thank you for your continued support and cooperation.

Yours sincerely,

**The Year 3 Team**
