Wednesday 25 June 2025

Dear Parents and carers

Our Year 5 pupils have been invited by Dagenham Park to enjoy a series of workshops allowing children to experience lessons in art, drama and science.

It will take place at Dagenham Park Secondary School on Wednesday 9th July. The workshops will be over by 1pm and the children will return to school.

As this time falls outside of the usual lunchtime schedule, the children will require a packed lunch on this occasion which they will be able to eat upon return to school.

In all other regards, it will be a normal school day. The children will be expected to wear school uniform and be collected at 3:15.

Yours sincerely,

The Year 5 Team
