Dear Parents and Carers,

Parent survey – William ford C of E Junior School

At William Ford we are very proud of the experiences and opportunities we continue to offer your children. This term alone has seen pupils enjoying trips to the West End, opportunities to travel to France, and our well established residential to Trewern in Year Six. Pupils in the Lighthouse have also benefitted from their own residential experience. Across the school children have met a wide range of visitors, including several high-profile and celebrity speakers who have inspired us with their stories. Our unique approach to the curriculum continues to attract national and international attention and we remain delighted with the impact it is having on pupils.

Despite the significant financial challenges facing all schools, William Ford continues to go from strength to strength. Our recent staff survey showed very positive views about the work of the school and the difference we are making. We now want to hear from you. Your perspective is essential in helping us understand what is working well and should be protected, and where you feel we could improve further. The parent and carer survey is now open and can be accessed here: [Annual Parent Survey 2025 – Fill in form](#) or by scanning the QR code. We would be grateful if you could complete it once for each child, as we recognise that experiences can differ between year groups. The survey will close on Monday 15th December. The results will be reviewed carefully and a full analysis will be shared with parents, staff and governors by mid-January.

Please remember that the form is anonymous, which means we cannot act on complaints or safeguarding concerns through this route. We also ask that comments remain respectful. Any submissions that are offensive or target individuals will be removed, although we are confident this does not reflect our current school community.

We greatly value working in partnership with you. Your feedback helps us to make the school the best it can be for every child. Thank you in advance for taking the time to support us by completing the survey.
